Scouts renew promises for 100th birthday

A GLORIOUS sunrise met Spalding and Holbeach scouts who took part in a worldwide celebration yesterday to promise peace and tolerance on the scouting movement's 100th birthday.

Around 120 explorers, scouts, cubs and beavers from around the area met at Baytree Nurseries Garden Centre, Weston, where they joined 28 million scouts from around the world to renew their promises to the organisation at 8am.

Yesterday was a key date for the movement which celebrates its centenary this year as it signified a new dawn for

scouting which has grown into the largest co-educational youth movement in the world.

After celebrating the scouting sunrise youngsters enjoyed two hours of fun at the Fun Farm and Laser Storm, Weston.

Cub and explorer leader Sam Raines, who organised the Weston celebration, said everyone thoroughly enjoyed it.
