The gang's all here! Scouts and guides meet up at Poacher International Camp

SCOUTS from across Calderdale met their counterparts from around the world at a camp.

More than 20 scouts from Halifax attended the week-long Poacher 2008 International Camp in Lincolnshire, which is held every four years, with around 3,000 scouts and guides from all over the globe.

They took part in parasailing, bungee trampolining, sailing, kayaking and glass engraving.
