Scouts tackle Yorkshire's three peaks

SEVEN members of Louth's Scout Activity Crew (SAC) completed the gruelling 25 mile Yorkshire Three Peaks challenge recently.

They tackled the three highest peaks in Yorkshire - Pen-y-ghent, Whernside and Ingleborough - in under 12 hours.

The success of their sponsored challenge raised more than £600 to help fund a new Scout ambulance which will help SAC continue to provide first aid cover at national Scouting events, and outside organisations.

SAC are a Scout Fellowship, actively involved in supporting Scouting in the Louth area by providing activities and event support.

Walker Laurence Marchant said the team thanked Emma Robinson and Lottie Day for their support and encouragement and everybody who pledged money in sponsorship.
