

PHOTOGRAPHIC RELEASE / PERMISSION FORM

In order to promote Scouting locally and nationally, it is sometimes necessary to include images of our youngsters actively taking part in Scouting activities. This promotion might take the form of television, newspaper or magazine articles, or on official promotional leaflets or radio, and official Scouting websites.

To protect the interests of both the Scout Association and our young members, it is necessary for us to request formal consent from parents and guardians to such photographs being used. However, in order to save us the need to request your approval on each separate occasion, this form will provide a continuing confirmation of your agreement. You can however decide to withdraw your consent at any time by notifying our County Media Development Manager, Ian Cashmore on 0870 350 0280.

Please read carefully through the paragraph below, and sign and date the form where indicated. Then please hand the form back to your child's Section Leader. Thank you!

I hereby grant to "The Scout Association" the unrestricted permission and right to use and publish photographs / images of my child, or pictures in which he/she may be included, including but not limited to: library publications, newsletters, newspaper articles, magazine articles, electronic reproductions, tv and other presentations, official "Scouting" websites, and/or promotional materials within "Scouting". In addition, I have indicated below whether or not I grant my permission to include my child's full name in any accompanying caption.
